

# Item#: HD71-SW Locking Firearm Display for Slatwall Assembly Instructions

**WARNING!! ALWAYS CHECK CHAMBER BEFORE HANDLING FIREARM TO ENSURE THAT IT IS EMPTY. NEVER LOCK OR DISPLAY A LOADED FIREARM.**

Complete with a genuine

1) Verify fit of firearm in the lock. Some firearms may fit better with the flat side of the lock up.

2) Remove bolt and rubber guard to access the mounting screws.

3) Place hanger on slatwall and slide lower plate up until secure.

4) Tighten screws to lock plate in place.

5) Replace rubber guard.

6) Remove key from bolt.

7) Press bolt through trigger guard and into lock until the firearm is completely immobilized.
