

Item#: HD94-FW Universal Magazine Rack

Toll Free: 866-443-6623

Choose a location on the wall for the rack. Use a Phillips screwdriver to drive the screws through the mounting holes into the wall. If a wall stud is not found, use these pilot holes to install the drywall anchors. To install the anchors, use the screwdriver to push and turn the anchors clockwise until they are flush with the wall. Then remount the rack with the screws into the anchors.
