

## Item#:HD95 Gun Cable Lock

[www.holdupdisplays.com](http://www.holdupdisplays.com)

Toll Free: 866-443-6623

1. Run cable loop through trigger guards

2. Insert tab into slotwall.

3. Insert plate into slotwall.

4. Press plate down so tab goes through bottom slot and you are able to attach the lock .

\*Note: Pushing plate into wall should be difficult, this creates the tension needed to keep plate from moving along wall.
